

**Name of the Project:** Capacity Building for Composting Activities under Special Programme for Food Security Project in Chak Singa, Bagha, Rajshahi

**Location:** Rajshahi, Bangladesh

**Name of the Client:** Food and Agriculture Organization (FAO) of the United Nations

**Duration of the Project:** October 2005 and July 2006

**Objectives of the Project:** The main objectives of the project are to provide following services:

- Conducting training sessions (compost unit construction, compost process control);
- Conducting field survey on availability of biomass for composting as well as soil quality;
- Providing periodical supervisions to ensure quality output;
- Preparation of following materials:
  - i) Script for capacity building of trainers and farmers, based on which PMU will prepare a Video-CD;
  - ii) Written manual for farmers;
  - iii) Written manual for trainers, describing how to facilitate farmers to process composting and utilize the produced compost; and
  - iv) Posters, particularly on raw material selection and process control.
