

Project Name: Preparation of Sanitation Plan for Eight Towns in Bangladesh

Location within country

8 Towns of Bangladesh

Name of client

Asian Development Bank (ADB)

Duration of the Project: November 2004 to March, 2005

Narrative description of project and services provided

The main goal of this consultancy assignment is to develop a comprehensive sanitation plan for the eight secondary towns selected under the Secondary Towns Integrated Flood Protection Project II for ADB financing. It is expected that the sanitation plans will guide the secondary towns to manage their sanitation problems in environmentally sound manner.
